Remove tabs to match trunk card ports.  
 Retirez les languettes en fonction des ports de la carte de ligne de réseau.

Abdeckungen für die jeweiligen Leitungskarten-Ports entfernen.  
 Rimuovere le linguette per consentire l'allineamento con le porte della scheda trunk.  
 Quite las piezas para hacer coincidir los puertos de la tarjeta de Enlace.  
 Remova as proteções correspondentes às portas da placa de tronco.  
 Verwijder de lipjes zodat zij overeenkomen met de poorten van de transmissielijnkaart.

Apply pressure at the bottom of the front panel.
